

# RFMP - EDITORIAL PLAN 2023

## JANUARY

- E-book: Inputs & Raw Materials for Foundry Industry
- E-book: Environmental Control – Equipment Suppliers & Service Providers

## FEBRUARY

- E-book: Pouring & Melting –Equipment and Accessories Suppliers & Maintenance and Repair Service Providers
  - E-book: Machining –Equipment and Inputs Suppliers & Service Providers

## MARCH

- E-book: Finishing and Panting – Equipament Suppliers
  - Deburring, Blasting, Painting
- E-book: Robotics and Industrial Automation

## APRIL

- E-book: Non-Ferrous Casting Suppliers - Alloys & Equipment

## MAY

- Special – GIFA (June 12<sup>th</sup> to 16<sup>th</sup>)<sup>1)</sup>

## JUNE

- E-book: Molding – Equipment Suppliers & Service Providers
- E-book: Quality Control – Equipment Suppliers & Service Providers

## JULY

- E-book: Raw Materials for Iron and Steel Casting Suppliers
  - Pig iron, Scrap, Alloys, Ferroalloys
- E-book: Personal Safety Equipment Suppliers

## AUGUST

- Special: Metalurgia 2023 (September 19<sup>th</sup> a 23<sup>th</sup>)<sup>2)</sup>

## SEPTEMBER

- E-book: Sands, Additives and Resins Suppliers
- E-book: Foundry Software Suppliers

## OCTOBER

- E-book: Raw Materials for Ferrous and Non-Ferrous Casting: Sands, Additives and Resins Suppliers | Raw Materials for Iron and Steel Casting Suppliers | Non-Ferrous Alloys; with a link to the full version of the respective surveys

## NOVEMBER

- E-book: Foundry Equipment Suppliers: Pouring & Melting | Finishing & Painting | Molding | Quality and Environmental Control; with a link to the full version of the respective surveys

## DECEMBER

- E-book: Brazilian Foundries 2023

1) The Brazilian Foundries and Suppliers Guide section will be published in this edition. This is a page\* paid by companies interested in publicizing their activities at the main foundry fair in the world. This \*page will be divided into 1/3 advertisement (supplied by the client, size: 21.0 x 9.5 cm) + 2/3 text in English (sent by the client) + company logo. The edition will be digital, released via QR Code, in a printed folder, distributed at ABIFA's stand at NEWCAST.

2) In this edition, the section ABIFA Guide of Foundries and their Suppliers will be published. This is a page\* paid by companies interested in publicizing their work at Metalurgia 2023 – Exhibition and Congress of Technology for Foundry, Forging, Aluminum and Services. This \*page will be divided into 1/3 of the advertisement (supplied by the customer, with a size of: 21.0 x 9.5 cm) + 2/3 English text (sent by the customer) + company logo. The edition will be digital, released via QR Code, in a printed folder, distributed at the ABIFA stand at Metalurgia 2023.
